

# Texas A&M University

## Retention & Graduation Report Fall 2013

Prepared by  
Data and Research Services

## Executive Summary

### □ **Entering Full-Time First-Time Freshmen (FTFT)**

Of the 8,025 FTFT entering TAMU in the Fall of 2007, 79.1% graduated in six years or less. This rate was 78.4% for the 2006 cohort. The six-year graduation rate for the Fall 2005 cohort was 79.2% (Page 1).

The four-year graduation rate for the 2009 FTFT cohort was 50.6%. This rate was 49.7% for the 2008 cohort. The four-year graduation rate was 48.2% for the 2005 cohort (Page 3).

The first-year retention rate for the 2012 FTFT cohort was 90.9%, the rate for the 2011 FTFT cohort was 91.3%. This rate was 91.7% for the 2008 cohort (Page 4).

Female, White, Asian, Texas Top 10%, students who earned college credits in high school, and non-first-generation student groups demonstrated consistently higher graduation and retention rates than their counterparts.

### □ **First-Time Undergraduate Transfer (Transfer)**

Of the 1,658 transfer students entering TAMU in the Fall of 2009, 78.2% graduated in four years. This rate was 77% for the 2008 cohort; and 76.4% for the 2005 cohort (Page 80).

The two-year graduation rate for the 2011 transfers was 19.6%, the rate for the 2010 cohort was 18.2%; and 16.9% for the 2007 cohort (Page 81).

Female, White, and in-state transfers demonstrated comparatively higher graduation rates.

### □ **Six-Year within College Graduation Rates (Students graduating from the same college in which they entered as FTFT)**

The overall six-year within college graduation rate for the Fall 2007 First-Time-In-College (FTFT) cohort was 44.5%, this rate for the 2006 cohort was 46% (Page 93).

## Definitions

**Blinn TEAM:** is a collaborative effort between TAMU and Blinn Junior College. Students in this program will complete a specified number of courses at each institution with a 3.0 to qualify for automatic admission to TAMU. They are classified as part-time students.

**COLLEGE Graduation/Retention:** is very different from 'traditional' university-wide retention/graduation. This statistic measures how many students have been retained within or graduated from exactly the same college into which they first entered as First-Time freshmen. A student may change majors and stay within the University and perhaps even graduate with a degree from a different college, however for the purposes of this metric that student would be considered as 'dropped-out'. Thus these figures will likely be lower than university-wide retention/graduation results.

**DEPARTMENT Graduation/Retention:** similar to *COLLEGE Graduation/Retention* (above) except retention and graduation are considered on the departmental scale.

**Ethnic Origin:** is the code indicating the ethnic origin of the student. Students are classified as "International" if they are not citizens of the United States but are in the United States on a temporary basis and do not have the right to remain indefinitely. Non-citizen students, who are lawfully admitted for permanent residence, or Resident Aliens, are reported in the appropriate racial/ethnic category along with United States Citizens. The unknown classification is reserved for students that have not selected a racial/ethnic designation.

White Only

American Indian Only

Asian Only

Black only + 2 or more/1 Black

Hispanic or Latino of any Race

Native Hawaiian Only

2 or more/excluding Black

International

Unknown or Not Reported

**First Generation:** neither parent graduated from a four year college.

**Earned College SCH in High School:** Concurrent or dual credit courses are college-level courses taken by high school students in which they receive college and high school credit at the same time.

**First-Time in College (FTIC):** an undergraduate, degree seeking student who applied and enrolled in college for the first time (regardless of whether the student has acquired college level credit through testing, advanced placement or summer enrollment).

**First-Time in College Full-Time (FTFT):** a first-time in college student enrolled for 12 or more hours during their first semester at TAMU.

**Gender:** identifies a student as either “male” or “female”

**General Studies (College):** this college is reserved specifically for students with undecided majors. Since there are no degrees granted by this college, the *COLLEGE Graduation* rates will always be zero. The attrition category for this college includes not only students who dropped out of the university, but also everyone who eventually selected an official major. The same applies to department GEST and majors GEST and GSEN.

**Undecided Majors:** see *General Studies (College)* above.

**Graduation:** lists the number of recipients of an academic degree who successfully completed all the essential work of the curriculum thus marking the completion of studies.

**Retention:** The number of students in a beginning fall cohort who return to the institution in a subsequent fall semester.

**Residency Status:** categorizes students into one of the following three categories based on the state or foreign country in which the student has established legal residency at the time of application.

- Texas Resident
- Non-TX, US Resident
- Non-TX, Non-US Resident

**Tuition Status:** indicates a student’s status for tuition purposes. (For specifics on the residence tuition policy, contact the Office of Admissions.)

- Resident Tuition: students who pay “Resident Tuition” rates.
- Non-Resident Tuition: students who pay “Non-Resident Tuition” rates.
- Tuition Exemption/Waiver: students who pay “Resident Tuition” rates because they are granted a tuition exemption or waiver.

**Top 10% Texas High School:** are the First-Time in College students who have graduated in the top 10% of their high school class and are either from a Texas high school or are Texas residents for tuition purposes.

## Notes

The Fall 2013 Retention and Graduation Report **includes Galveston as a College.**
