Definitions

Age: is calculated by subtracting the year of birth from the year of the semester report; it does not take into account the month of birth.

Age Categories: recodes the variable “Age” by ordering students into one of the following age categories:

- <18
- 18-21
- 22-25
- 26-30
- 31-39
- 40+

Course Level: involves the grouping of semester credit hours (SCH) into one of the following course categories based on the Coordinating Board’s course designation. Note professional level courses are non-funded and excluded from SCH and Weighted SCH calculations. Thus, there is not a course level designation for this category.

- Lower
- Upper
- Masters
- PhD

College: specifies either: 1) the college to which a student’s major is assigned or 2) the college to which a course is assigned.

Department: designates the four-letter abbreviation specifying either: 1) the department to which a student’s major is assigned or 2) the department to which a course is assigned.

Enrollment Status: this variable categorizes students into one of the following admissions categories:

1st Time in College: an undergraduate, degree seeking, student who applied and enrolled in college for the first time regardless of whether the student has acquired college level credit through testing, advanced placement or summer enrollment. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time PB (Post Baccalaureate – U5): a student who has graduated with an undergraduate degree (BA or BS) but who is returning to obtaining either another undergraduate degree or certification. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time Graduate: a graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time Professional: a professional student who has never attended a professional program at another post-secondary institution. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time Transfer: a student entering TAMU for the first time but who is known to have previously attended another post-secondary institution at the same level (e.g. undergraduate to undergraduate, or masters to masters, not undergraduate to masters). This does not include an institution’s own graduates who re-enter for further education. This field is used only the first semester of a student’s enrollment at TAMU.

Re Admitted: a student who previously attended TAMU and is enrolled after applying for readmission.

Continuing: an undergraduate, master’s, doctoral or professional student who has completed at least one full semester at TAMU with no break in regular semester enrollment.

Ethnic Origin: is the code indicating the ethnic origin of the student. Students are classified as “International” if they are not citizens of the United States but are in the United States on a temporary basis and do not have the right to remain indefinitely. Non-citizen students, who are lawfully admitted for permanent residence, or Resident Aliens, are reported in the appropriate racial/ethnic category along with United States Citizens. The unknown classification is reserved for students that have not selected a racial/ethnic designation.

- White
- Black
- Hispanic
- Asian
- American Indian
- International
- Unknown

Ft/Pt TAMU Status: a constructed count, calculated in the SIMS Data Base that groups students into one of four full-/part-time categories based on their enrollment (SCH) in courses as of an official census date, their program, and their department of instruction (i.e. Student teaching, coop, etc.). Note that it is possible to calculate full- and part-time status using SCH as the sole criteria by using the SCH Categories. For specific information contact The Office of Institutional Studies and Planning.

Less than Half Time

Half Time

Three-Quarter Time (used for undergraduate students, fall and spring semesters only)

Full Time

Gender: identifies a student as either “male” or “female”

Not Certified: this report has been generated using data that has not yet been certified as correct to The Texas Higher Education Coordinating Board (THECB). The data has undergone vigorous clean up and we do not anticipate significant changes between this data and the certified data. (Certification generally takes place towards the end of a semester.)

Major: designates the four-letter abbreviation specifying the student’s declared major.

Residency Status: categorizes students into one of the following three categories based on the state or foreign country in which the student resides (where the student lives at the time of application).

Texas Resident

Non-TX, US Resident

Non-TX, Non-US Resident

SCH Categories: groups student’s into one of the following categories based on the sum total of all the semester credit hours for which a student is enrolled without regards to funding.

< 6 SCH

6-8 SCH

9-11 SCH

12-14 SCH

15-17 SCH

>18 SCH

Student Level and Classification: involves the grouping of students into the following student level designation.

<u>Student Level</u>	<u>TAMU Classification</u>
Undergraduate	U0, U1, U2, U3, U4, U5
Masters	G6, G7, G9
Doctoral	G8
Professional	V1, V2, V3, V4

Tuition Status: indicates a student's status for tuition purposes. (For specifics on the residence tuition policy contact the Office of Admissions.)

Resident Tuition: students who pay “Resident Tuition” rates.

Non-Resident Tuition: students who pay “Non-Resident Tuition” rates.

Tuition Exemption/Waiver: students who pay “Resident Tuition” rates because they are granted a tuition exemption or waiver.

Total SCH: a mathematical computation that takes into account the semester credit value associated with a given course and the number of students enrolled in the respective course.

WSCH: a mathematical computation that takes into account student classification, course SCH total and level designation, and the respective program weight as assigned by the Coordinating Board. This report adjusts for non-funded PhD Hours.

Notes & References

1. **% Change:** will be based on a comparison of the current semester's data to the prior like semester's data. When considering % change it is important to note that any change in categories with low numbers will result in a high percentage change.
2. **First-time PB (Post Baccalaureate):** were not shown in the Spring 2000 Report.
3. **Exchange College:** was added since Spring 2000 to show the exchange students enrolled.
4. **Educational Administration (EDAD) and Educational Human Resource Development (EHRD):** were combined to form the **Educational Administration and Human Resource Development (EAHR)** department.
5. **Educational Curriculum and Instruction (EDCI):** was renamed to **Teaching, Learning and Culture (TLAC)** department
6. **SCH and WSCH calculations:** do not include Veterinary Medicine professional hours.
